

## New for 2024's European Mustelid Colloquium: photography competition

The Organising Committee of the 35EMC are pleased to announce we will be hosting a mustelid-themed photography competition as part of the conference. Photographs will be displayed during the conference and judged.

Not a keen photographer, but want to share your trail camera images? There will be a separate second category for images caught with trail cameras!

Details below:

- Photographs must be of mustelids (doesn't have to be a European species)
- Photographs must have been taken by you (or your trail camera)
- You can enter maximum 2 images into each category
- You must be attending the 35<sup>th</sup> Mustelid Colloquium to enter
- By entering you agree that photographs that win can be used by the European Mustelid Colloquium Organising Committee partners in future Colloquium promotional material

### Judging:

Photographs will be judged, with one winner in each category.

### How to enter:

- Please email [katherine.mcbride@vwt.org.uk](mailto:katherine.mcbride@vwt.org.uk) with your image(s) ahead of the conference, so we know how many to expect to display.
- In your email please include:
  - Name of photographer
  - Title of photograph
- Please also **bring a copy of your image(s)** (10 x 8 inches OR the original size format but it must fit onto an A4 paper) to the conference so we can display them. Landscape or portrait orientation is ok.
